

JOB OFFER

JUNIOR PROPERTY SALES CHINESE MARKET

Founded in 2013 by an international team, Sense Property has become one of the most reputed premium real estate agencies in Bangkok.

We offer a one-stop service to demanding international clients: purchase, rental, renovation/design, management, resale, and portfolio management.

Thanks to our market knowledge, extensive network and preferred relations with the best developers in the city, we have a database of over 4,000 upscale properties selected through a strict set of criteria to meet our clients' needs.

More information on www.senseproperty.com

In March 2018 became Sense Property is the sole agent in Bangkok of the exclusive global network Leading Real Estate Agencies of the World, consolidating our positioning as a premium agency for international customers (www.leadingre.com).

In order to accompany its fast development in international sales, Sense Property is putting together a new sales team dedicated to Chinese investors for the Bangkok condominium market.

Job description

- Sales of new and resale condominium units to Chinese-speaking clients (from Hong Kong, Mainland China, Taiwan, Singapore, Malaysia mostly)
- Marketing in Chinese language – online and offline
- Coordination with partner companies based in Hong Kong and China
- Upkeep and upgrade of our Chinese website (under construction)
- Property management and other related administrative tasks for Chinese clients

Package

- Fixed salary: 35,000 THB / month
- Attractive commission scheme on each transaction closed
- Free shares distribution scheme after 1 year of employment
- Social security / Mobile phone

Skills/education/experience required

- Young graduate of Top-tier Thai University, or up to 2-3 years of experience
- Chinese speaker, fluent English, Thai is a plus
- Natural commercial skills
- Hard-working and ambitious
- Able to work under pressure
- Strong communication and interpersonal skills
