

## The Seed Grant for Research

### International College, Mahidol University

#### Background

To respond to the MUIC's Research Mission, the Dean gives an initiative fund, **“the Seed Grant for Research”**, for all academic staff and support staff to pursue researches and produce national/international publications. The fields of research are open to all researchers' expertise and their interest. The Seed Grant will be ≈200,000 Baht per one project of academic staff and ≈50,000 Baht for a project of support staff.

#### How to apply the Seed Grant for Research?

**All academic staff and support staff are invited to submit their proposals.**

**More information is available at R&D division, Tel 1423, 1019**
